

## ERPA INTERNATIONAL CONGRESS ON EDUCATION : CALL FOR PAPERS

Dear Colleague,

It is with great pleasure that I am writing to inform you about the *International ERPA Congress on Education 2014* that will be held in *Istanbul University/Turkey* from *6 to 8 June 2014* (<http://www.erpacongress.com>). We hope that the conference will enable you to share your research with an international research community and to engage in discussion about the current issues in the field of education. The scientific committee in ERPA Congress aims to keep the level of the presentations as high as possible so that it is a positive intellectual experience for all the participants. Therefore, we want you to remember ERPA Congress as a place where you discussed the issues and questions that count for your research, renewed relations with your colleagues and made contacts that helped you to develop new directions in your work. Official congress languages are English and Turkish.

Six branch congress will be held concurrently in ERPA congress 2014;

- ERPA International Educational Sciences Congress
- ERPA International Science and Mathematics Education Congress
